LOCAL MATTERS.

WEATHER PROBABILITIES. April 15, 1882. For the 24th of April, States partly cloudy with occasional rains on the coast, variable winds, temperature higher barometer and stationary.

ALEXANDRIA'S FOREIGN TRADE.—The Washington Star, in noticing the arrival of the German bark Havelin at that port from Liverpool with a cargo of salt, a few evenings since, says: "This is probably the first large cargo of salt that ever arrived in this port, and probably the first which has entered the Potomac river for twenty-five years." The statement that the cargo of salt alluded to is the first that ever arrived at Washington is no doubt correct, but that it is the first which has entered the Potomac river for twenty-five years, is all wrong. It is a common thing for Alexandria merchants to import salt direct from Liverpool. Since the war the receipt of large cargoes of foreign salt by the merchants of this city has been frequent. A few years back five foreign barges loaded with salt, brought here direct from Liverpool by Capt. P. B. Hooe, Wm. Smoot and B. H. Lambert, could be seen at this port at one time. Then, too, Alexandria not only imports foreign cargoes, but sends out in return home productions. Vessels find no difficulty in getting a foreign cargo at this city. During the past year Capt. Hooe alone has shipped to Europe no less than four cargoes of wheat, and Mr. F. A. Reed sends a cargo of copra to Cuba almost monthly. Only yesterday the schooner Lizzie Wilson left this port for Cuba. During the year ended March 1, 1881, there was shipped to Cuba cargoes for the value of \$117,543, and during the month of March last \$12,350 of copra was sent out.

COOPERATION COURT.—Judge N. B. Meade presiding. Nalls & Co., and others vs. H. S. Barker, deposition of Nathaniel Boush on behalf of defendant, and depositions of F. F. C. Galt and others on behalf of plaintiff filed.
H. S. Barker, administrator vs. Hooff et al.; in chambers, report of C. W. Wattles reporting bill of F. F. Galt filed and decree directing committee, or to accept the bid.
Parish vs. H. S. W. Barker and Son; in chambers, in attachment; Cassard & Son vs. same; N. B. & Co. vs. same; Melbury & Co. vs. same; Hill & Co. vs. same; these causes consolidated; motion to dismiss attachments and argument being heard when report closed.
The Judge appointed the following judges of election:
First Ward—William C. Launcey, J. H. Burroughs and Henry Whitely.
Second Ward—John T. B. Byrd, George Bessart and W. D. S. Butler.
Third Ward—Edward H. Greig, T. G. P. Steiner and J. M. Ware.
Fourth Ward—Jas. L. Dyson, B. J. Minn W. Nalls and A. S. Perpenier.
The court then took a recess until five o'clock.

THE MECHANICS' FAIR.—The fair for the benefit of Lafayette Lodge of Mechanics, in McBurney's Hall, was largely attended again last night. The fair will close with a ball Wednesday night next. The following is the vote for the several articles up to date:
For Watch—Miss E. Cook, 65; Mrs. Butler, 12; Miss L. Smith, 5.
For Necklace—Miss Messina Keyes, 37; Miss Mansfield, 9; Miss Hammond, 4; Miss Sarah E. Graham, 3.
For Cane—Friesons, 67; F. F. Marlbury, 10; Kahout, 10; W. Mahler, 5; F. Crump, 1.
For Pin of Order—Mansfield, 17; W. D. Chickering, 17; Clarence Moore, 13; Charles Padgett, 10; J. H. Tomlin, 9.

TEMPERANCE.—The temperance meeting in Armory Hall last night was attended by the largest and most appreciative audience of the week. Mr. Burdick presided and introduced Mr. Charles Nye, of Washington. Mr. Nye delivered an interesting and impressive speech, which was listened to with profound attention. Mr. Burdick was the first and last speaker. His speech was a short and good one. This was certainly the best meeting of the series. Rev. Dr. Poulson, of the M. E. Church, and Rev. Mr. Tredway, of the M. P. Church, occupied seats on the stage.

THE WEST POINT CADETSHIP.—So close was the contest for the Barbours West Point Cadetship between Bentley Mott, of Leesburg, and Harry Shepherd, of Warrenton, that the Commissioners appointed to conduct the examination were compelled to make a most careful investigation of the papers submitted by the two young gentlemen named before giving their decision. Bentley Mott stood 91, and Harry Shepherd 91—Mott has received the appointment.

THE MARKET.—The market this morning was well supplied, but there was no change in prices. The sellers seemed to take advantage in informing the buyers that butter was fifty cents a pound, sir. Tomatoes, the first of the season, were held at 40 cents per quart peck. Fish sold as follows: Shad, 40¢; per pair; herring 15¢ per dozen; perch 35¢; per bunch; single perch 45¢ a \$1.25 a piece.

PROPERTY SALE.—Mr. R. T. Lucas, auctioneer, sold today in front of the Market House, on Fairfax street, for Messrs. Francis L. Smith, John M. Johnson and Thomas Moore, commissioners, a two-story brick dwelling on St. Asaph street, between King and Prince, now occupied by Mrs. Fossett,

with grounds attached and stable, to Mr. A. W. Armstrong for \$2,315.

SEVERELY INJURED.—Mr. Shober, a carpenter living near Occoquan while at work on the new railroad bridge at Woodbridge yesterday fell upon the rocks below, and received serious injuries to his head and had his leg so badly hurt that it will have to be amputated.

FISH REPORT.—Fish continue to arrive slowly at Fishtown owing to the cold and stormy weather. What few shad and herring arrived at the wharf this morning sold, as follows: Shad, \$17.22 per hundred; herring, \$7.25 per hundred.

How to Make a Good Cup of Coffee or Tea
Is an every day inquiry. The great want has been for a suitable vessel in which to prepare in a state of purity and perfection these highly prized beverages. These results can only be obtained by preparing the coffee in a vessel that prevents all escape of steam or flavor, and in which the beverage is made by infusion instead of boiling. Such we offer you in the "IDEAL COFFEE POT." They are simple in construction, pretty in design, highly polished and made of the best imported tin. There is nothing to get out of order and they are reasonable in price.

MOSE WATERMAN'S GRAND DOUBLE STORES
AND WHAT ARE FOUND IN THEM.
The store at the corner has been renovated in the improved style, making it by far the handsomest business house in the city.
In this store can be found the handsomest line of CLOTHING, both for Men's and Boys' wear, ever witnessed in Alexandria. I can show in Dress, Business and Working Suits the largest stock, the greatest variety and the best made clothing; in fact, I can show more goods in my clothing department than all the clothing houses in Alexandria can combined.
I have this season taken special pains with the little fashions. The great demand for well made CHILDREN'S CLOTHING has induced me to lay in a stock undoubtedly the largest ever seen in our establishment, ranging in price from \$2.50 upwards. Every suit made and trimmed in the most elaborate style.
My FURNISHING GOODS DEPARTMENT shall be kept up to its usual high standing. Everything that can be found in a first class furnishing store can be had at bottom figures.
The store adjoining the corner, lately occupied by Mr. Wm. N. Berkley, shall be devoted exclusively to HATS and TRUNKS, not having the required amount of room at my corner store, and knowing the citizens required a first class hat establishment in their midst, saving them the trouble of going to Washington to look for the correct styles.
I have opened this store regardless of expense to satisfy the wants of my fellow citizens. I shall have at all times a complete stock, embracing all the leading styles. I shall have and Dunlap's Hats a specialty. Children's Hats by the million, as usual, at half price. Respectfully,
MOSE WATERMAN, Corner King and Fairfax sts., Alexandria, Va. ap4
